Dear Mr. Lenner and Township Trustees:

On behalf of Ernst Concrete I am withdrawing the application to rezone approximately 13 acres located on Moots Run Road east of the intersection of SR37 from Agriculture to Manufacturing and Distribution.

While Ernst Concrete sought this rezoning to establish a long-term company in St. Albans that would serve and be part of the community, Ernst respects the goals established by the community in the recently approved Comprehensive Plan that designates the subject property for commercial uses.

Please confirm receipt of this letter and withdrawal of the rezoning application.

Sincerely,

Connie J. Klema
