**Old Business/Unfinished business**

- 1). Cargill was awarded the salt contract this year. With the 100 tons we should be good this next Year since we have the bins at about 2/3 full now
- 2). The meeting Thursday night at the church drew a crowd of over 150 for the EPA Asphalt meeting I was Pleasantly surprised at how prepared our residents were, and how ill prepared the EPA was.
- 3). We still need to discuss the hydraulic housing for the Alamo arm.

**New Business**

- 1). I spoke with the prosecutor's office about our BZA appointment and explained that one alternate was still to busy with her full time job to accept, but still would like to be an alternate. The other alternate, Bud Young was happy to accept the BZA board position. Prosecutors asked me why we had two alternates in the first place?
- 2). I would like to make a motion to accept Bud Young to the BZA board, and keep Anita McCoy As the alternate.
