**OLD UNFINISHED BUSINESS**

- 1). Cargill was awarded the salt contract this year for 100 tons-50 tons were delivered Monday.**
- 2). We need to address the bridge on legend lane before smalls comes and tar & chips it.**
- 3). The township should agree to a 10% increase for the Win-Waste contract. I spoke with our rep again and Matt said would need to sign a new agreement for a new 2 year agreement, that is all the further out they would go because of unknown expenses. Please see agreement I have for you-current contract expires after August**
- 4). BZA news. Bud Young after heavy considerations-and discussing with his family has decided to resign as a newly elected member and as an alternate.**
- 5). Did anyone give consideration to take on the cemetery as presented last month? I personally think I say no at this time...maybe we revisit later**

**NEW BUSINESS**

- 1). The big one is the BZA position. We have potentially 3 candidates, I know Anita McCoy would like to stay active as an alternate**
- 2). I would like to award the easement for the property owner at the cemetery.**
- 3). PUD hearing was tonight at 6:30**
- 4). The big BZA Hearing will be in the Firehouse on July 19<sup>th</sup> - Geiger property and Shelly Company.**
